My relationship to industrial area issues
Mon lien avec les sujets autour des zones industrielles

Since 2016 I have been working in a GIZ project in Mexico on Urban-Industrial Environmental Management. As we consider industrial areas to be crucial for shifting towards more sustainable production patterns our work has been focused very much on this topic.

My relationship to sustainability topics
Mon lien avec les sujets autour la durabilité

Sustainability is a target that is always moving – that alone makes it quite a challenge. Furthermore, I am convinced that complex problems like sustainability need an a multi-disciplinary approach. Both aspects together make working on sustainability so interesting to me.
