**My relationship to industrial area issues**

Mon lien avec les sujets autour des zones industrielles

From 2009-2014 I work as an expert in the industrial area Capacity building program managed by GIZ in Tunisia.

Since 2011 I participate in the training program of "Gestion Durable des Zones Industrielles (Sustainable industrial area Management). I coach and advise managers in IA : to implement strategy that can help in reaching Economic, social and environmental objectives.

Since 2016 I work with Atgmg (Local association of IA manager) on the development of new strategy of recycling of different types of waste in IA. I help government agency to develop indicators of performance in IA.

**My relationship to sustainability topics**

Mon lien avec les sujets autour la durabilité

Environment is a challenging issue in Tunisia. I work with GIZ and UNDP for the implementation of new strategy of managing IA in Tunisia. My work is to make different stakeholders committed in the better use of resources and to contribute in the job creation as a social challenge for the tunisian economy.

**7-lines-summary CV to present you to the audience (professional background; job today; relevant former occupations / activities)**

Une synthèse de votre CV sur 7 lignes pour vous présenter envers

MCA-Morocco
