My relationship to industrial area issues
Mon lien avec les sujets autour des zones industrielles

From 2003 to 2009 I was a mechanical engineering working in manufacturing and other industries. Since 2010 I have been a banker financing industrial and other projects in Egypt, Morocco, and Tunisia.

My relationship to sustainability topics
Mon lien avec les sujets autour la durabilité

The EBRD takes an active role on Energy Efficiency and Climate Change. I have been covering the industrial sector in Morocco for the EBRD since 2015.

7-lines-summary CV to present you to the audience (professional background; job today; relevant former occupations / activities)
Une synthèse de votre CV sur 7 lignes pour vous présenter envers l'audience (expérience professionnelle ; travail aujourd'hui ; d'autres occupations / activités pertinentes dans le passé)

I joined the EBRD in 2013 as a Banker in the Manufacturing & Services team, first in London (2 years). Prior to that I worked in private equity in Egypt with Beltone, covering all sectors of the economy.

I studied mechanical engineering at McGill in Canada, and worked mostly in the manufacturing industry (aluminium, rubber, automotive).

Today I am based in Casablanca and am responsible for the EBRD's activities in the manufacturing and services sectors in Morocco.
